JASMINE THE
FRONT-END DEVELOPER

✉ thejjasmine@gmail.com   🌐 jasminethe.com   📞 0407 237 731   📍 Sydney, AUS

SUMMARY

I am a front-end developer with 7 years of experience and a design background, passionate about creating impactful digital experiences that seamlessly blend technology and design. I have experience developing solutions in a variety of industries, including eCommerce, financial services and government agencies within the ANZ market, acquiring a broad skill set in multiple technologies. I'm seeking a role where I can leverage my diverse expertise to contribute to innovative digital projects.
